- At a special Party school located in Mittweida, the SED Central Committee is conducting short courses for full-time SED Party Secretaries in VEB's and for secretaries of Plant Union Directives (Betriebs-Gewerkschafts Leitungen - BGL) of these plants. The courses last from six to eight weeks and the lecturers are all employees of the Central Committee of the SED.
- Since many of the participants in these courses have had no previous Party training, the level of instruction at this special school is not very high. It is below the level of a good SED Kreis Party School.
